<https://briancampbell003.github.io/portfolio/> | GitHub: <https://github.com/briancampbell003>

Full-stack web developer leveraging background in philosophy and in social work to provide unique perspectives on how end-users interact with websites and software platforms. Earned a certificate in Full Stack Web Development from Northwestern University Coding Boot Camp while working with formerly homeless adults in full-time social services position. Hobbyist fiction writer and DJ with an eye and an ear for design; former math instructor adept at analytic problem-solving.

Projects

DreamJot

repository | <https://github.com/briancampbell003/dream-jot>

deployed@ | <https://dream-jot.herokuapp.com/>

Summary: Application that allows registered users to save dreams as notes with additional options, and, for those inclined, to share their posts with a community of dreamers.

Role: Team Lead and Front-End Developer

Tools: JavaScript, MySQL, Node, CSS, HTML, Handlebars

Weather Dash

repository | <https://github.com/briancampbell003/weather-dash>

deployed@ | <https://briancampbell003.github.io/weather-dash/>

Summary: Weather application that provides current and future weather forecasts in cities, provided by a third-party API, and then populates a persistent sidebar list of clickable recently-searched cities.

Tools: Javascript, CSS, HTML

Team Profile Generator

repository | <https://github.com/briancampbell003/team-profile-generator/>

deployed@ | <https://briancampbell003.github.io/team-profile-demo/>

Summary: Command-line application to generate a single-page html site that neatly displays information for a team, using information supplied by the user in response to prompts.

Tools: JavaScript, Node, Enquirer, Jest

Work Experience

Mercy Housing Lakefront: Feb. 2021 – present

Case Manager, Supervisor: Mindy Taylor

- Manage a caseload of formerly homeless single adults living in an SRO hotel, many of whom have mental health disabilities, substance use issues and/or medical challenges
- Use an approach of trauma-informed care to conduct ongoing needs assessments and outreach visits for tenants with client-driven goals of housing retention and life quality improvement
- Work in tandem with property management department to ensure safety of building and equitable treatment of its residents, with regard to rent payment and lease rules
- Aid tenants in seeking employment or else establishing and maintaining appropriate benefits
- Maintain both physical and digital files in accordance with city and state guidelines

SAGA Innovations: Feb. 2018 – April 2020

Tutor, Site Director: Denise Parham-Gantt

- Provide daily tutoring and instruction in mathematics, specifically algebra and geometry, to a caseload of 12-15 high school students enrolled at CPS' Phillips High School in the "Math Lab" class
- Conduct periodic basic skills assessments to gauge students' growth and isolate topics with which they struggle, informing lesson-planning for the following weeks
- Communicate and enforce Math Lab's behavioral expectations and employ motivational strategies for keeping students on task while still maintaining a positive mentorship-based relationship

- Assess students' performance in Math Lab against a curriculum based 60% on their participation and engagement, and 40% on formative assessments
- Indicative of my strengths in the classroom, accepted invitation to participate in SAGA's Virtual SAT Tutoring pilot program for students in Chicago and New York City public schools

Additional experience with Amazon (2019-2020), FLK Inc. (2019), Tenderloin Housing Clinic (2016-2017)

Volunteer Experience

John Howard Association: Winter/Spring 2019

Volunteer, Supervisor: Omar Jamil (Juvenile Justice Monitoring) and Katie Pieper (Prison Response Unit)

- Respond to mail from persons incarcerated under IL Dept. of Corrections, primarily case law requests
- Visit IL Dept. of Juvenile Justice's Illinois Youth Center in Chicago, participating in a tour of the facility and conversations with young men to create notes for use in the JHA's annual monitoring reports

WNUR 89.3 FM: June 2014—May 2015

General Manager, Supervisor: Brandon Grill

- Manage the 24/7 programming schedule by coordinating more than 200 DJs
- Allocate funds for and then prepare for special events and concerts using a budget exceeding \$40,000
- Communicate and enforce WNUR policies regarding show attendance and equipment damages
- Mediate between student DJs, community DJs, and the university administration
- Develop and author more than half of the WNUR Wiki, containing useful information for staff

Education

- 2U/BootCamp Spot Northwestern Coding Boot Camp; January 2023
- Northwestern University, Evanston, Illinois
Bachelor of Arts; major: Philosophy, minor: Critical Theory; June 2016
GPA: 3.53 / 4.00

Skills

- Versatile programming abilities and demonstrated familiarity with JavaScript ES6+, CSS3, HTML5, SQL, GitHub, MySQL, Express, React, Node, Handlebars, Bootstrap
- Strong writing skills and experience authoring instructional, technical and promotional documents
- Proficient in all Microsoft Office and Adobe Creative Suite programs (Word, Excel, Photoshop, etc.)
