About Me: Full-stack web developer leveraging background in philosophy and in social work to provide unique perspectives on how end-users interact with websites and software platforms. Earned a certificate in Full Stack Web Development from Northwestern University Coding Boot Camp while working with formerly homeless adults in full-time social services position. Hobbyist fiction writer and DJ with an eye and an ear for design; former math instructor adept at analytic problem-solving.

Technologies: JavaScript | SQL | NodeJS | MongoDB | ExpressJS | ReactJS | CSS | HTML | Bootstrap | Python | Github | Excel | Word | PowerPoint | Photoshop

Projects

MHL Relocation Guide

repository | <https://github.com/briancampbell003/mhl-rs-relocation>

deployed | <https://briancampbell003.github.io/mhl-rs-relocation/>

Summary: Instructional guide for staff use at Mercy Housing Lakefront, detailing various issues that arise during a property's resyndication process, served in collapsible components with ReactJS.

Tools: React, Javascript, CSS, Bootstrap, HTML

DreamJot

repository | <https://github.com/briancampbell003/dream-jot>

deployed | <https://dream-jot.herokuapp.com/>

Summary: Application that allows registered users to save dreams as notes with additional options, and, for those inclined, to share their posts with a community of dreamers.

Role: Team Lead and Front-End Developer

Tools: JavaScript, MySQL, Node, CSS, HTML, Handlebars

Team Profile Generator

repository | <https://github.com/briancampbell003/team-profile-generator/>

deployed | <https://briancampbell003.github.io/team-profile-demo/>

Summary: Command-line application to generate a single-page html site that neatly displays information for a team, using information supplied by the user in response to prompts.

Tools: JavaScript, Node, Enquirer, Jest

Work Experience

Mercy Housing Lakefront: Feb. 2021 – present

Case Manager, Supervisor: Mindy Taylor

- Manage a caseload of formerly homeless single adults living in an SRO hotel, using trauma-informed care to conduct ongoing needs assessments and outreach visits for tenants with client-driven goals of housing retention and life quality improvement
- Create and maintain flowcharts for staff reference to explain internal processes for new resident move-in and move-out; manage Excel spreadsheets for tracking property budgets and tenant information
- Lead team projects by delineating roles, establishing operational frameworks and distributing responsibilities among staff according to skills and abilities
- Maintain both physical and digital files in accordance with city and state guidelines and use Salesforce reporting software to generate reports that inform future service deliveries to better meet program expectations

- Recognized for excellence with 2022 Quarter 3 Spirit of Mercy Award on account of dedication, resilience and adaptability demonstrated throughout the renovation of Carlton Apartments and its attendant relocation of all 62 tenants

SAGA Innovations: Feb. 2018 – April 2020

Tutor, Site Director: Denise Parham-Gantt

- Provide daily tutoring and instruction in mathematics, specifically algebra and geometry, to a caseload of 12-15 high school students enrolled at CPS' Phillips High School in the "Math Lab" class
- Assess students' performance in Math Lab against a curriculum based 60% on their participation and engagement, and 40% on formative assessments, then use assessment data to generate long- and short-term individualized learning plans
- Indicative of my strengths in the classroom, accepted invitation to participate in SAGA's Virtual SAT Tutoring pilot program for students in Chicago and New York City public schools

Additional experience with Amazon (2019-2020), FLK Inc. (2019), Tenderloin Housing Clinic (2016-2017)

Volunteer Experience

John Howard Association: Winter/Spring 2019

Volunteer, Supervisor: Omar Jamil (Juvenile Justice Monitoring) and Katie Pieper (Prison Response Unit)

- Respond to mail from persons incarcerated under IL Dept. of Corrections, primarily case law requests
- Visit IL Dept. of Juvenile Justice's Illinois Youth Center in Chicago, participating in a tour of the facility and conversations with young men to create notes for use in the JHA's annual monitoring reports

WNUR 89.3 FM: June 2014—May 2015

General Manager, Supervisor: Brandon Grill

- Manage the 24/7 programming schedule by coordinating more than 200 DJs
- Allocate funds for and then prepare for special events and concerts using a budget exceeding \$40,000
- Communicate and enforce WNUR policies regarding show attendance and equipment damages
- Mediate between student DJs, community DJs, and the university administration
- Develop and author more than half of the WNUR Wiki, containing useful information for staff

Education

- 2U/BootCamp Spot Northwestern Coding Boot Camp; January 2023
- Northwestern University, Evanston, Illinois
Bachelor of Arts; major: Philosophy, minor: Critical Theory; June 2016
GPA: 3.53 / 4.00

Skills

- Versatile programming abilities and demonstrated familiarity with JavaScript ES6+, CSS3, HTML5, SQL, GitHub, MySQL, Express, React, Node, Handlebars, Bootstrap
- Strong writing skills and experience authoring instructional, technical and promotional documents
- Proficient in all Microsoft Office and Adobe Creative Suite programs (Word, Excel, Photoshop, etc.)
